Voluntary Board Member Positions

About Family Planning Tasmania

At Family Planning Tasmania (FPT), we believe that access to quality sexual and reproductive healthcare and education is a fundamental human right. As the leading provider of these services across Tasmania, we deliver compassionate care through our state-wide clinics and education programs. Our staff and Board are dedicated to providing services that are non-judgmental, inclusive, and respectful of privacy and confidentiality.

The Opportunity

We are looking to welcome several new Board Members to our established and committed Board of Governance. As a Board Member, you will provide overall strategic direction for FPT, ensuring we achieve our objectives, maintain financial sustainability, and deliver clinical operational excellence in alignment with our values.

About You

We are seeking diverse individuals who are passionate about improving health outcomes for vulnerable communities and are excited about the opportunity to lead a purpose-driven organisation like FPT. Experience in any of the following fields would be highly valued: health, clinical governance, people and culture, risk management and education. Our Board Members can be based anywhere in Tasmania - residents of regional areas are encouraged to apply.
